General Rules:

1. Winners of garden tractor pulls can be NO MORE than 5 pounds overweight after pulling.
2. Pulls are open to any factory built garden tractor of 20HP or less.
3. Pull ropes must have a safety catch and open/moving pulleys must be covered.
4. All pull attempts must start with a tight chain.
5. One hand must stay on the steering wheel at all times while pulling.
6. All drivers must be able to operate a garden tractor.
7. Youth classes are allowed ONE assistant on the track while pulling.
8. Judges have the right to reject any tractor that they feel is unsafe to compete.
9. Judges reserve the right to stop a pull at any time, for any reason.

Deadweight Rules:

1. Rubber tires only! No chevron, duals, chains, studs, steel wheels, or quad tires.
2. Maximum height from the ground to the top of the draw bar is 13 inches.
3. Wheelie bars are mandatory! Maximum height of the bars is to be no more than 8 inches from the ground to the center of the wheelie bar wheel. All bars must extend at least 6 inches beyond rear tires.
4. All tractors must have rear fenders, hood, and grill.

All committee decisions are final!
